The Envy 155 offers four berths and four inertia seatbelts with a generous feeling of space throughout. With its low profile and sky view cab sunroof, the 155 looks both sleek and stylish.

The front seating area includes swivel cab seats to enhance the lounging space and can be used to offer two single beds instead of the easy to make large double. Whilst the Envy 155 has the open planned layout at the front with side bench seats, underneath they boast two fold up seats with rear inertia seatbelts. Unlike all other fixed beds on the market, this clever & unique design gives superb flexibility for two people of family of four, without detriment to the spacious floor area.

The 155 has a centre kitchen with ample worktop space. At the rear it benefits from a french-style fixed bed (complete with Ozio memory foam mattress) and large bathroom area.

The low profile Envy 175 has a two berth layout with fantastic feeling of room from front to back.

The 175 is dramatically different to any of the other models in the range. Up-front, the 175 boasts a large lounge which converts quickly and easily into an over-size double bed or has two ready made single beds instead. The kitchen, too, is spacious and well-equipped, complete with large fridge-freezer.

At the rear of the Envy 175 you'll find the bathroom - and what a showstopper it is, with separate shower cubicle, spacious dressing area and storage in abundance!
